FRIENDS MADE FOR ETERNITY

AFTERGLOW
1988-89

Laurelbrook School
Dayton, TN

Dear Students and Staff:

"The warmth of true friendship, the love that binds heart to heart, is a foretaste of the joys of heaven." M.H. 360. It's fitting that the annual's theme is "friendships for eternity" because it is the desire of the teachers and staff that the atmosphere of Laurelbrook be imbued with the love of Jesus and the members of the Laurelbrook family develop true friendships between it's members.

To have this experience we must love one another and be willing to put self aside and put others first. The spirit of heaven is service. So as we learn to serve and love one another our experience here is just a stepping stone to a richer and grander experience in heaven.

May God help each of us to learn to love and serve so when Jesus comes we will be united as one family in the joys of heaven. The friendships you make here at school will be as lasting as eternity.

Mr. Bob Zollinger
President

Someone has said, "The only rose without thorns is FRIENDSHIP." Really, what is friendship? Those who are supposed to know declare that it is a state of friendliness, one kindly disposed, a close relationship, an attachment for another. While friendship is mentioned only twice in the Scriptures, friends is mentioned over a hundred times from Genesis to Revelation, covering every phase of human character and life. Mention is made in the Blessed Scriptures of a man "that was a friend of God". And another is declared to be, "A man after God's own heart". Such statements denote that there was a very close friendship between these men and God.

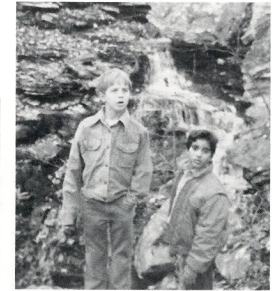

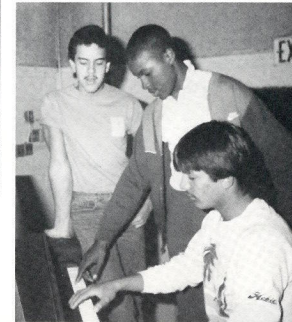

These are very tender pictures. I think that the most meaningful one is in John 15:14-15: "Ye are my friends if ye do whatsoever I command you. Henceforth I call you not servants; for a servant knoweth not what his Lord doeth; BUT I HAVE CALLED YOU FRIENDS, for all things I have heard of my Father I have made known to you."

Christ wants us to be His friends now and throughout eternity. I invite you to dedicate your life with me, fully to Him.

Pastor

A DAY AT LBA

Here at Laurelbrook Academy the students are involved in many different activities during the day. Each day holds new and exciting experiences which help in the molding of their characters. It is the goal of the staff here at Laurelbrook to have every student reach their full potential that we may all meet in heaven together.

So let's take a look at a few Laurelbrook activities:

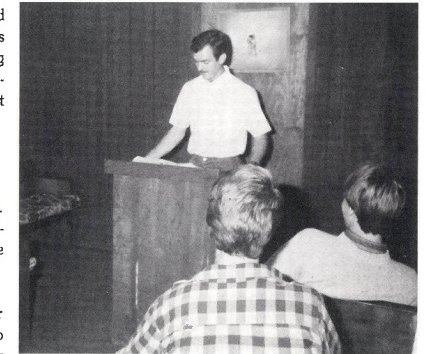

The day starts off with morning worship in the dorms. There some of the students are able to participate by leading song service or planning worship themselves. Everyone can join in the singing of hymns.

Worship is a time to pause and find out more about our really true friend, Jesus Christ. God sent His only Son to this world not only to be an example to us but to show us His character that we might be drawn to Him so He will become a personal friend.

The Bible says in John 15:13, "Greater love hath no man than this that a man lay down his life for a friend." Of all the wonderful things that God has done to prove His love for us the gift of His Son was the most sacrificing. We should thank God every day for the wonderful gift of His Son.

Now it's time for breakfast. This is a very important time of the day because a good breakfast provides the nourishment needed to go through the day. The cooks here at Laurelbrook do a good job in preparing a balanced meal each morning.

Next it's either off to work or school. There are many different kinds of jobs here at Laurelbrook. Each job requires new skills that will be useful in later life.

In work and in school friends play an important role in the day to day life at Laurelbrook. Being associated with different people every day helps in expanding friendship circles and understanding people. During the day it is a privilege to be able to brighten someone's day by a smile or kind gesture. Working in the sanitarium provides this opportunity. There is also an outreach program that the students and some staff are involved in. This usually includes cleaning someone's yard, giving out food to the needy, or visiting people in nursing homes.

Then it's lunch time. Lunch not only provides a good, nourishing meal but also a time to socialize with the other students. It is a time to discuss the day's activities with your friends.

After lunch about 1:00 it is time to go to the different music groups. Music is considered very important here at Laurelbrook. "The melody of praise is the atmosphere of heaven; and when heaven comes in touch with the earth, there is music and song." **Education**, 161.

Each student can try out for choir and chorale. There are also other musical groups that the students are involved in like band and male chorus. Some take instrument or voice lessons. The musical groups often perform here at Laurelbrook and they also go on trips to different churches.

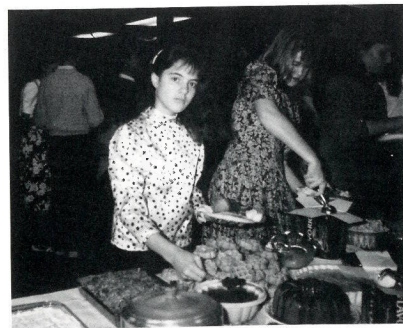

The right kind of music can make a good and lasting impression on the mind. "With a song, Jesus in His earthly life met temptation. Often when sharp, stinging words were spoken, often when the atmosphere about Him was heavy with gloom, with dissatisfaction, distrust, or oppressive fear, was heard His song of faith and holy cheer." **Education** 166.

After another four hours of work or school, it is time for supper. This is somewhat of an unwinding time from all of the day's activities.

During the holidays, the students enjoy special suppers. This is an enjoyable time for those who are not able to be at home. The food is made special and the cafeteria is decorated for this time of year.

Banquets are also nice. The students are able to use their creativity to make something nice for others to enjoy.

One of the last activities of the day is study hall. This gives the students time to do their homework for the next day or prepare for their tests.

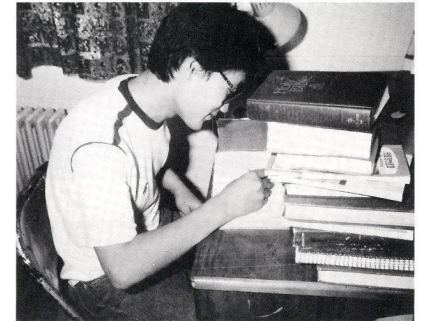

Learning is an important part of life. "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." II Timothy 2:15. God desires for each of His children to do the best they can in whatever they do. We must prepare ourselves for whatever God calls us to do and what better time to start than now!

Laurelbrook is designed for the learning of academics and practical skills, but most importantly Laurelbrook focuses on students and staff learning to know God as their personal Friend.

Some nights there is worship in the dorms, but Tuesday night there is prayer meeting in the church and on Wednesday night the students and some staff meet in the auditorium for chapel.

Twice a year we have a special week of prayer. This is a time when the students and staff are given a special chance to openly recommit their lives to Christ and recognize Him as their true and loyal friend.

At the end of a busy day, it is always good to get a good night's sleep.

A Prayer

Lord, the newness of this day
Calls me to an untried way:
Let me gladly take the road,
Give me strength to bear my load,
Thou my guide and helper be -
I will travel through with Thee.

— Henry van Dyke

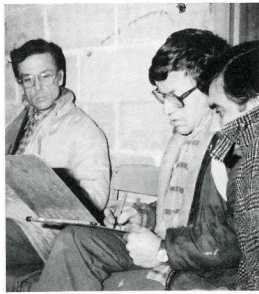

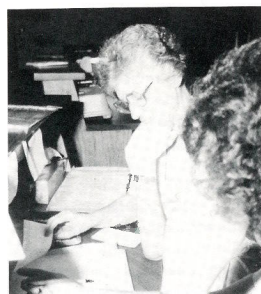

DEDICATION

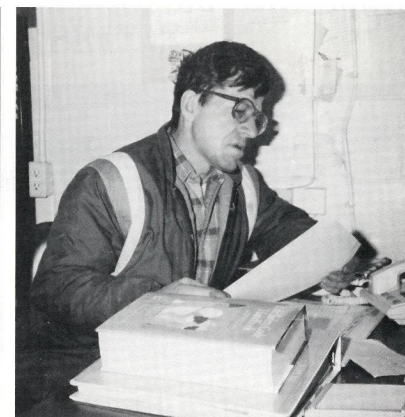

Mr. and Mrs. Ferguson, we dedicate this annual to you because of all the love, time, and patience you have given all of us. Although we haven't always shown it, we appreciate the way you've helped us learn and grow, both mentally and spiritually. Mrs. Ferguson, thank you especially for being patient while helping us learn how to work in the san. The day was always brighter when you smiled, and we knew that if you could smile, so could we. Mr. Ferguson, we especially want to say thank you for taking the time to sit down and listen to us. You're always willing to help in any way you can or help us understand why certain things have to stay the way they are.

Thank you for being understanding and helping us see how worthwhile it is to dedicate our lives to Christian work.

It is with love that we, the students and staff of Laurelbrook, dedicate this annual to you, Mr. and Mrs. Keith Ferguson.

Mr. and Mrs. Ferguson in their younger years.

Keith puzzles over the work schedule.

Lord, speak to me that I may speak
In living echoes of thy tone;
As thou hast sought, so let me seek
Thy erring children lost and lone.

O teach me, Lord, that I may teach
The precious truths thou dost impart,
And wing my words, what they may reach
The hidden depths of many a heart.

O fill me with thy fulness, Lord,
Until my very heart o'erflow
In kindling thought and glowing word
Thy love to tell, thy praise to show.

Gladys brightens up a day in the san.

Mr. and Mrs. Ferguson smile for the camera.

WHAT LAURELBROOK . . .

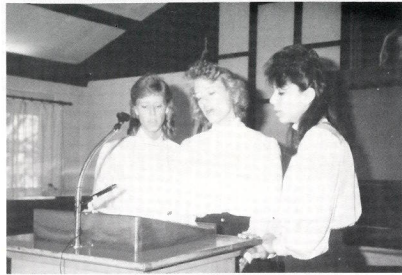

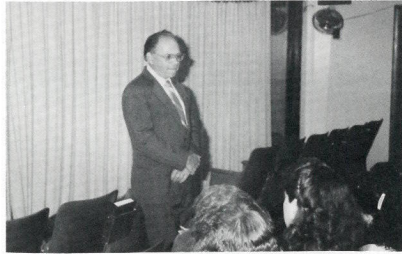

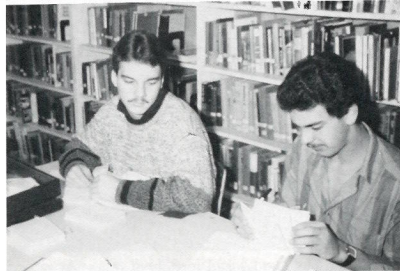

SPIRITUAL

Laurelbrook places a strong emphasis on spiritual activities. Upholding the Christian standards of the Seventh-day Adventist Church is considered a matter of definite importance.

Laurelbrook was established to train young people to go out and finish the Lord's work and prepare people for Christ's second coming. The short time students spend here is used to prepare them for a place in God's work here and in heaven.

Students from Laurelbrook are often involved in missionary endeavors. Laurelbrook staff and students have helped build and sponsor a mission station in Belize, C.A., and work in the Dominican Republic. In the past ten years, over 100 students from Laurelbrook have helped on mission projects in Central America, Africa, and the Far East.

There are many Laurelbrook graduates serving around the world as ministers, doctors, nurses, teachers, and faithful laymen. This helps us better understand the statement from one of our favorite authors that when God's plan of education is put into practice the results testify of its author.

ACADEMICS

In the academic area, Laurelbrook has three programs - college entrance, general high school, and vocational high school.

The education provided at Laurelbrook is balanced by combining practical learning programs with math, science, English, etc.

In the book *Education* we read, "True education . . . is the harmonious development of the physical, the mental, and the spiritual powers. It prepares the student for the joy of service in this world and for the higher joy of wider service in the world to come." *Education* p.13 It is the desire of Laurelbrook that the students going from here will be able to serve God and have the joy that this provides.

STANDS FOR

SOCIAL

Training in social activities is an important part of life. At Laurelbrook, group activities provide times to socialize among the other students. Recreation and hikes each week provide exercise and fun for students and staff.

There are many special activities such as banquets, picnics, and class activities that give students time to get to know each other.

Laurelbrook encourages group activities so that students get to know each other without the trials and perplexities of exclusive boy/girl friendships. This also gives opportunity for students to let Christ's love shine in their associations with each other.

VOCATIONAL TRAINING

Practical training in everyday duties is an important part of Laurelbrook's education. The students have a wide variety of places where they can work to train in various skills.

The nursing home and farm work in conjunction with the school to provide over 20 areas of vocational training; examples of these include nurse's aide, dietary, construction, and auto mechanics. Each student spends a portion of the day working in one of these areas.

It is Laurelbrook's goal that the young people learn to do the job which they are sent to do and do it thoroughly and cheerfully just as Jesus did while on this earth.

WHAT LBA MEANS TO ME

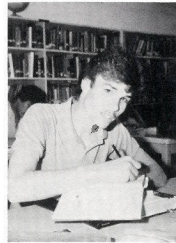

I have been here at LBA for two years. Laurelbrook has helped me gain new friends, come closer to Christ, and learn to be adaptable to many different kinds of work. One thing I really like about LBA is that people accept you very quickly. One doesn't have to wait very long to have lots of friendly people getting to know you. Also, most importantly, you can be yourself. My friends at LBA are people who are willing to listen to my problems, even if they have their own. They will go the second mile, and always care. The friends I have made here will be an everlasting memory in my mind. I'll never forget how I've been treated like a real person. It's really helped me A LOT! - Phillip White

I have been at Laurelbrook for one year, and I love it. The work-study program gives you lots of opportunities to learn and grow. One of the most important things I've learned here is that I'm responsible for my relationship with Christ. No one else can have the relationship for me. My friends here mean a whole lot to me, and I wouldn't exchange them for anything. - Jodi Walker

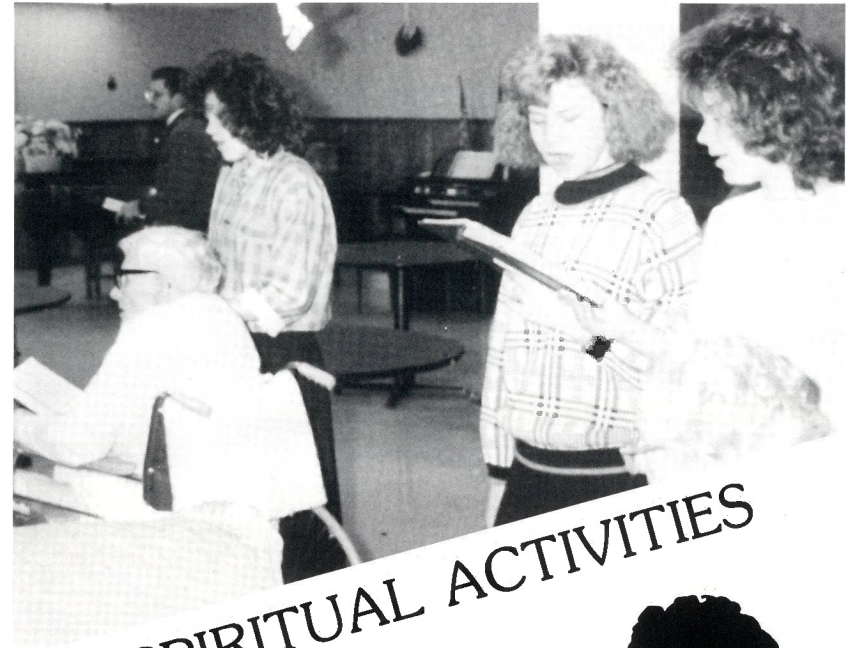

Laurelbrook has been my home for four and a half years. LBA has helped me in many ways. It has given me a new perspective on Christian living and Christian lifestyle. While here at LBA I feel I have been helped to mature spiritually, and learn to appreciate young people more. To me, LBA is a good Christian school that teaches important values to not only the students, but the staff as well. - Mr. Ellis

To me Laurelbrook is my home and school. I have been here all of my life. I was born in Dayton. I feel LBA has helped me mold my life spiritually, physically, as well as mentally. One of the more precious things I have gained here are my friends. They each hold a special place in my heart and memory. - David Zollinger

I have been at LBA for two years. Laurelbrook has helped me realize what is really important in life. The most important thing I've learned here is how to deal with people, and how to work efficiently. I really appreciate the dedicated staff here who have given their lives to serve God by training and loving young people like me. My friends here are friends that are hard to come by. They mean the world to me, because they have helped me grow spiritually and mentally. - Bonnie Martz

CAMPUS SPIRITUAL ACTIVITIES

Pastor and Mrs. Brian Wahl say, "remember the scarecrows in your life."

Students sing at a nearby nursing home.

Eating on the run is fun!!

During the week of Prayer, students enjoyed Pastor and Mrs. Wahl and their baby, Nathaniel. Individual needs of the students were met by speaking with Mr. or Mrs. Wahl during specified times. Prayer groups out on the lawn and lively song services completed the memories for each student. Everyone enjoyed the restful time.

Joey thanks the pastor for an excellent sermon.

SPECIAL SPEAKERS

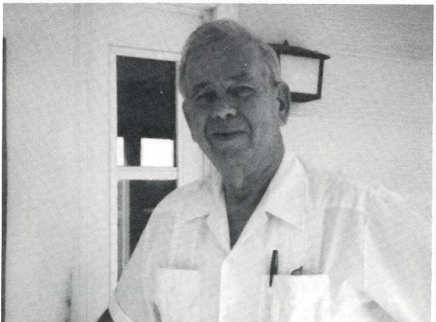

Pastor and Mrs. Warren Wilson are happy to visit us.

Mr. and Mrs. Gary Dunlap relate exciting experiences on Sabbath.

Elder Coulter keeps everyone's attention on Sabbath morning.

Roger Goode from Little Creek visits us for the L.E.L. convention.

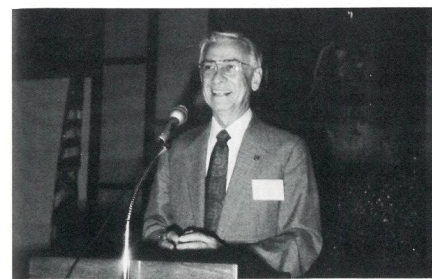

Ron Pickell and Lester Coon, old time friends!

Elder Gordon Hyde from Southern College shares a thoughtful message.

SPECIAL SPEAKERS

Pastor Conn Arnold enjoys relating a story.

A staff member from Cave Springs shares wonderful experiences.

Jim Epperson presents an exciting sermon.

Don Thiry speaks at the L.E.L. Convention.

Pastor Sabot and Mr. Zollinger chat after church.

OUTREACH

J.J. discovers an amazing T.V.

Dawn and Daryll pick up trash.

Bonnie passes out cards the class made.

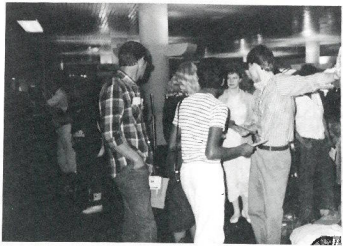

Melanie and Melissa discuss their plan of attack.

Students start Ingathering.

Laurelbrook's outreach program has a dual purpose - to acquaint people with a loving Christ and to show Christ's love for people by assisting them with their problems. To fulfill these purposes, each class - freshmen, sophomores, juniors, seniors - take one class day a month and assist others in a variety of ways - putting on programs at nursing homes, providing drug education in schools, cleaning yards and homes, distributing food baskets. These pages provide just a glimpse of what Laurelbrook students do.

GIRLS' SUMMER WORK

As part of L.B.A. training, students work at least half the summer. This gives them credit for their bill and trains them to do useful skills. The girls work in laundry, san floor, kitchens, gardens, and cleaning.

Jill isn't sure this recipe is working out.

Patricia finds out where food really comes from.

Lori got the spot out of Mr. Lyles' shirt.

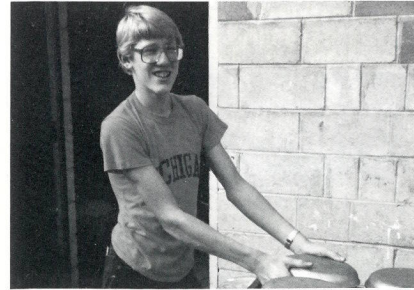

Dawn washes windows the old-fashioned way.

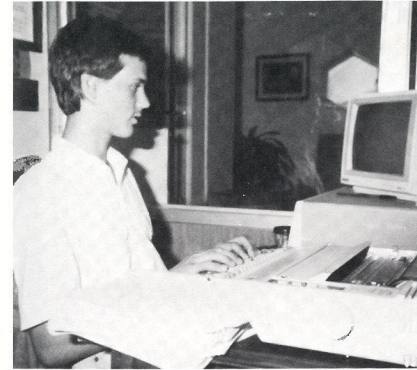

The kids are going to "love" this for supper.

BOYS' SUMMER WORK

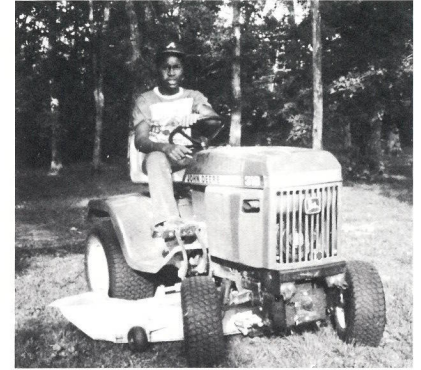

Like the girls, the boys work for scholarships. Boys work in places such as lawn crew, food route, business offices, and gardening.

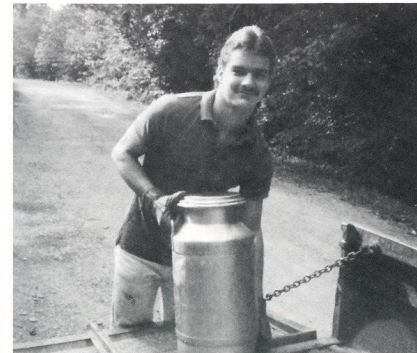

Daryll loads the food truck.

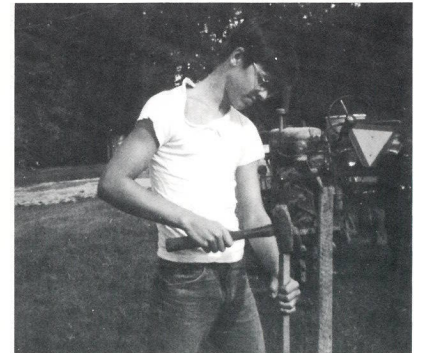

Dan works up a sweat at the computer.

Jo-Jo says, "Nothing runs like a Deere."

Woody delivers milk to the san.

Tom struggles with a tomato stick.

GIRLS'

Mrs. Herra, our dear work coordinator.

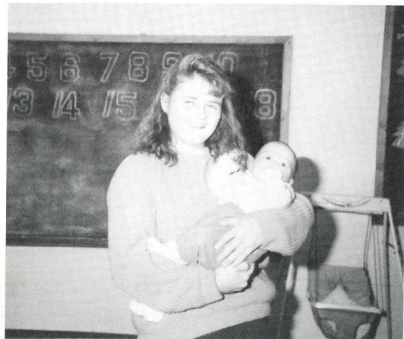

The girls' work program teaches us many things like working together as a team, doing the best we can, and being proud of it.

The falls, a favorite hiking place.

Steve displays his Florida tan.

Since I've been here at Laurelbrook, I've come to enjoy the hikes and recreation very much. On the hikes you always learn something new about the campus or just nature in general. At recreation they teach you many new games. I've always liked recreation because it's a time when you can get to know people better and also scream and holler without having to worry if you're being too noisy.

-Jennifer Whitlow

J.J. enjoys an evening event.

Mrs. Westfall gives last minute banquet instructions.

Mr. Ellis, the captain, welcomes guests aboard the ship.

"Practice makes perfect" was our banquet motto!

Melanie and Woody experiment with their straws!

Woody and David look excited about their prospective dates!

June and Francis are graced with the services of Mrs. Ellis, the captain's wife.

Bonnie and Cindy pose in their "ship" - shape room.

Jeff readily agrees that he has a lucky date!

GIRLS' OPEN HOUSE AND BANQUET

Joy and Melia portray a "Confused Christian" for worship.

Jennifer sings a solo accompanied by nervous girls.

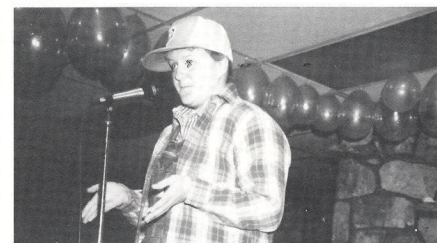

A junior-senior quintet sings "Alice Blue Gown".

Tammi leads the favorite of the evening, "I Want To Be a Better Man".

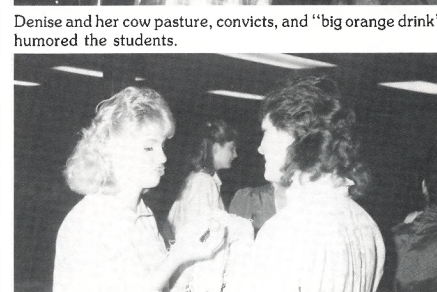

Melia complains of a pain in her "sawdust" while dolls complacently look on.

Denise and her cow pasture, convicts, and "big orange drink" humored the students.

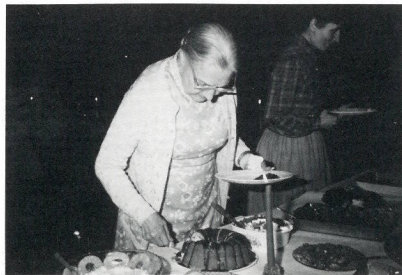

Nancy goofs around behind the teacher's back.

Tammy agrees that nothing beats cleaning up, especially sampling the leftovers!

PARTIES AND BANQUETS

FRIENDS
OF
1988-1989

FRIENDS ARE FRIENDS FOREVER. IF THE LORD IS THE LORD OF THEM, AND A FRIEND WILL NOT SAY NEVER 'CAUSE THE WELCOME WILL NOT END THOUGH IT'S HARD TO LET YOU GO IN THE FATHER'S HANDS WE KNOW, THAT A LIFE-TIME IS NOT TOO LONG TO LIVE AS FRIENDS.

Dear David:

The most precious thing to parents is their children. Their greatest joy is to see them succeed and be happy, and their fondest hope is to be with them in heaven. As a baby you loved balls and you loved to be outdoors. You have always loved people and shown concern for them. We hope you use this gift and prepare yourself to be a blessing to others.

It is our prayer that you will continue to be an honor to God, to the teachers of the school which have taught you the past twelve years, and an honor to the family. We know the world will be a better place and blest because your life has touched the lives of others.

*We love you

Dear Andy,

As we think back over the years,
we are so thankful that God has
given us the joy and happiness to have such a fine son.
God bless and keep you in His loving care as you prepare
for your life work and His soon coming.

We love you very much.

Mom and Dad

Dearest Erika,

You have reached another milestone in your travels
to the Kingdom of Heaven - graduation from high school!
We are very proud of you!

You have been very special to us and you always
will have a peculiar place in our hearts! We wish you
everything of the best in the future!

Whatever your choices will be for the future, wher-
ever your travels will take you, our love for you will not
change, it will be there.

And when we all reach the New Jerusalem, we will
wait for you at the eastern gate, to embark on life eternal
in the earth made new. We pray you will meet that ap-
pointment with us and Jesus.

Lots of Love, little one!
Dad and Mom.

COMPLIMENTS OF LA-Z-BOY TENNESSEE

Dear Bonnie,

As you reach this milestone in your life, we want to let you know how very proud we are of you. Your cheerful disposition brings lots of sunshine to the family! You have always been unique in your ability to think for yourself, and to nurture those around you. Your sensitivity to detail and your ability to express yourself in painting are great sources of wonderment. We appreciate the fact that you are always dependable and hard working. We have seen you allow your life to be molded by the Holy Spirit, and we never cease to marvel that a child of ours can be such a source of inspiration.

With bundles of love,
Mom and Dad

Melissa,

You were a special gift given to us May 12, 1971. We have cherished everyday trying to forget that someday you would be all grown up and not be our "little" girl. As one phase of your life is coming to a close here at Laurelbrook, and another one is starting, our prayer is that God will go with you every step of the way. Remember He loves you even more than we do. He will enrich your life and make it complete if you will let Him.

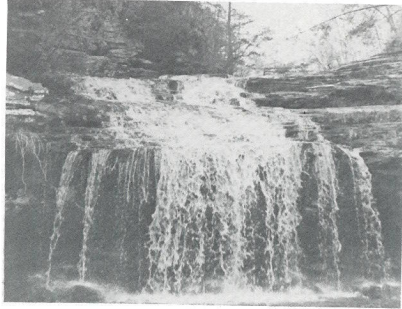

We love you,
Mum and Dad

Laurelbrook has many scenic areas in the undeveloped area of its property. Included are a small canyon, many waterfalls, overlooks, beautiful mountain streams, cliffs, and unusual rock formations. These attractions are often the destinations of Sabbath hikes sponsored by the staff members on duty for the weekend. These scenes often bring both students and staff closer to God.

ANNUAL STAFF

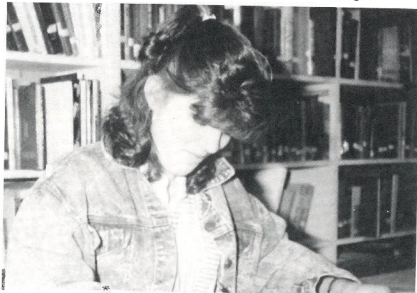

The Annual Staff this year has done quite a bit of work on the annual. We've had deadlines, nerve-racking assignments, and a lot of fun. We hope you enjoy your annual. The responsible people are Mr. Breneman, Jeff Darchek, Melanie Hansen, Victoria Loring, Theresa Brown, Melia Boyson, Cindy Martz, Bonnie Martz, Becky Hansen, and Mrs. Weilman (not pictured).

Becky searches for a picture in the old pictures box.

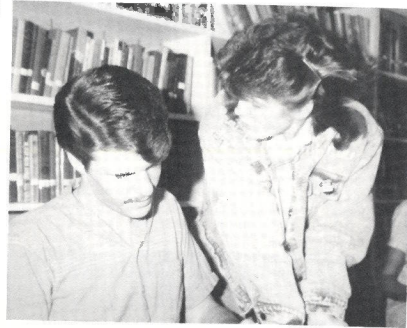

Victoria checks out the pictures for a page.

Cindy concentrates on her layout form.

Mr. B. and Melanie laugh over the new pictures.

Jeff works on a page while Bonnie assists.

Melia and Theresa laugh at one of Mr. B.'s jokes instead of working.
