President's Message

Each year I think 'this is the best year yet'. I say that about our Mexico Mission trips, also – 'this is the best trip yet!' I noticed our Laurelbrook students were outstanding on this year's Mexico trip. We were able to accomplish so much more than any of the previous trips and that same spirit seemed to permeate our whole school year.

The unity we shared while we were in Florida cutting trees and clearing yards of debris, I saw as a turning point for Laurelbrook. The way we all worked together to help the people. I heard the students comment, saying that they didn't want to go back home, they wanted to stay and help more people, because there was still so much help that was needed. It was hard, hot work; everyone was tired, but they all wanted to help.

Everyone has a 'turning point'.

I see it in the Bible – Paul when he held the coats of those that were stoning Stephen and then on the road to Damascus.

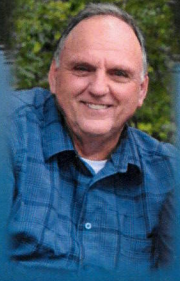

I saw it in Abram – when he left his father's country, Moses at the burning bush. During the alumni weekend, I hear the alumni saying, "It was at Laurelbrook I changed, I became a better person. I learned how to work." It was a turning point in their life.

We all need a 'turning point', a point where we purpose in our heart to serve the Lord.

I pray this year has been a turning point in your life. I pray that you determine in your heart to follow Christ.

Seniors, it has been a joy to work with you this year. As we prepare to go to Mexico on your senior trip, may God bless us as we work together to further His work. May Laurelbrook have a spot in your heart, where you remember Laurelbrook as a turning point in your life.

Mr. Rich Sutton

Chaplain's Message

Dear Seniors and Other Classes:

It has been a long journey, the journey has not been easy, but in the midst of so many difficulties you have reached or will soon reach the top of the mountain - graduation. You have also discovered that there are other mountains to conquer, new challenges, new places, and new institutions. Here at Laurelbrook, we believe that you are ready or will soon be ready to face the next stage in your life.

Remember to give priority to the things that are actually important and that battles are won on your knees, kneeling before the Master. Only then can you remain standing. The great conflict continues, but remember to honor God in everything you do, and He will honor you.

- *Be like Noah, faithful in a world where the thoughts of humanity incline evermore toward evil.*
- *Be like Abraham; go where the Lord calls you.*
- *Be like Moses, humble when you are called to lead.*
- *Be like Joseph; let your dreams be the dreams of God.*
- *Be like Joshua and Caleb, positive in the midst of adversity.*
- *Be like David, brave in the land of giants.*
- *Be like Daniel; make your personal devotion your first priority.*
- *Be like Jesus, so that people can see Jesus reflected in your lifestyle.*

"The greatest want of the world is the want of men—men who will not be bought or sold, men who in their inmost souls are true and honest, men who do not fear to call sin by its right name, men whose conscience is as true to duty as the needle to the pole, men who will stand for the right though the heavens fall." Ellen White, *Education*, p. 57.3

It is our desire that you can be successful in this life, but our dream - and your parents' dreams - is to see you in the kingdom of heaven.

Fondly,

Pastor Richie Perez

Hi, I'm grateful for coming to Laurelbrook. Here I have met nice people, and I am glad for all the knowledge that we get and that we can share with others as missionaries.

Eliseo Soberano

Hey Juniors! Being here at Laurelbrook is an amazing experience. All the activities, the staff and the work help you to grow mentally and spiritually. So enjoy Laurelbrook and enjoy a life in Jesus.

Edvan Benítez

Hey, juniors! If you want to have success at Laurelbrook, be a hard worker, follow the rules, never stop learning new things, have a good attitude, and let God be first in your life!

Felix Montes

This was a good year. We had great moments in the dorm and in class. We enjoyed a lot of funny moments. I hope everybody has a great year.

Mahary Maya

This year was amazing! One thing I learned though is that no matter how you go through life, there's always someone there to guide you and that is Jesus. So stay close to God and keep going.

Denisse Hirujo

In this year I learned about prayer. The only way that we can communicate with God is through prayer. For this reason I encourage you to pray.

Maria Hernandez

A new experience begins this year. There will be incredible things that we will see, learn, do and achieve. May God bless and guide you at all times.

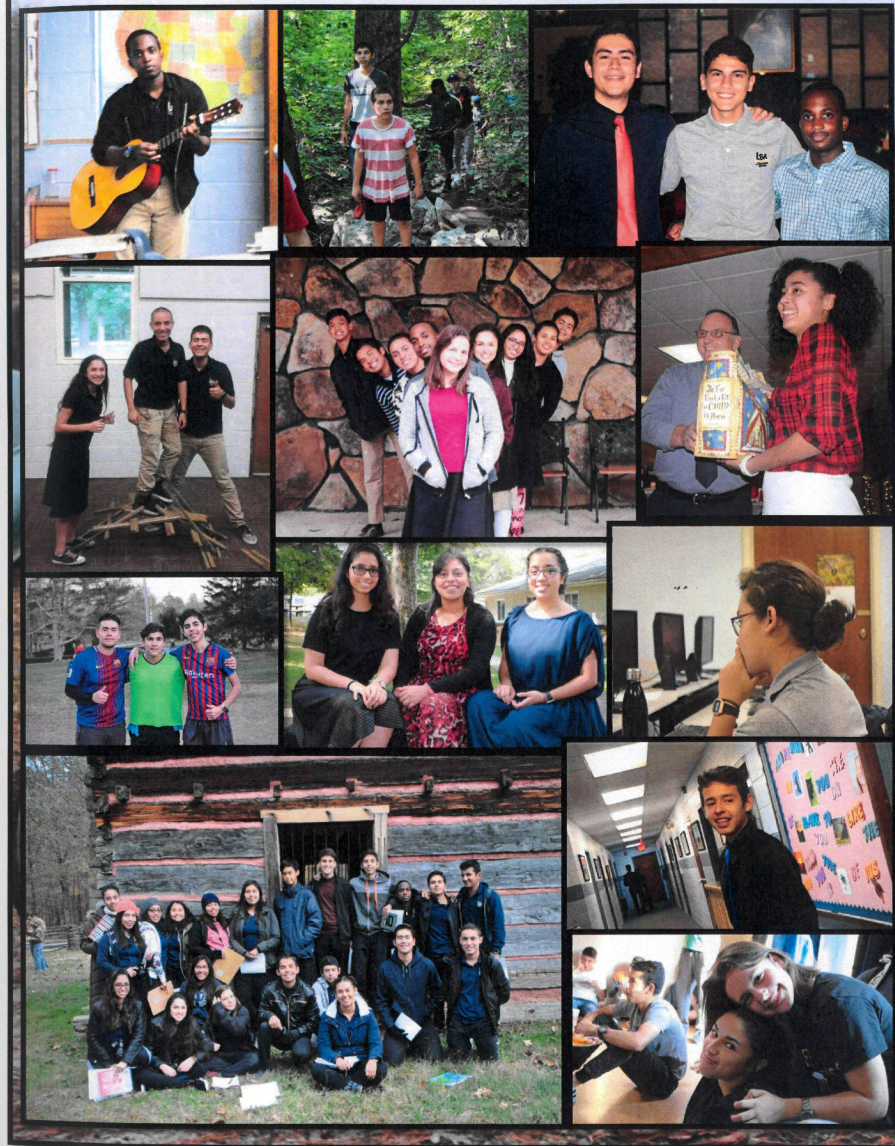

Dafne Perez

While being at Laurelbrook I learned that education is fundamental to my development, good music is the best remedy for the heart, and that being with God is the best way to have salvation.

I really enjoyed my time in LBA. I had a really good experience. I learned a lot of new things. I met new friends and got a better relationship and communication with God. I also want to encourage you to have a better communication with God wherever you are going to be.

(Suriel Balleza)

Love God, work hard, make many friends and enjoy your time here. Focus on the good moments you have had here. Think about the friends you have made, and places where you went. LBA can be a good experience. All depends on you. "Life is a series of uninterrupted victories not seen here but in the hereafter." That is what my sponsor said. That does not mean that you aren't going to have problems and sorrows here or anywhere you are. It means God will help you to overcome them only if you submit your life to Him. We don't where our lives are going to go; we don't decide what trials we will have. But we decide how to face the problems and how to overcome them. I hope you've had a nice year here and when you come back, may the Lord Bless You.

What Laurelbrook Means to Me

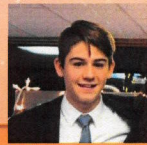

Laurelbrook, it's a place where you can grow spiritually and learn a lot, and it's a place where friends become family.

-Kelly-Ann Roy-Lavallee
Freshmen

Some people say Laurelbrook's food is no good and that some things are not fair. And that may be true to a certain extent. But at Laurelbrook, we grow, and, though we make mistakes, we learn from them. And when you come and actually experience it, you'll find that it's not so bad. Laurelbrook provides a great training ground to prepare you for the real world.

-Asher Westcott
Sophomore

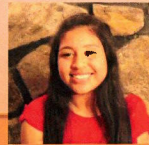

Definitely, Laurelbrook is a different experience! You need to learn to live without a cellphone, to eat different types of food, to wear "Laurelbrook approved" clothes, etc. But also here you will learn to be a hard worker, a responsible student, and a good roommate, but the most important thing is that you will learn to be a faithful Christian. Do your best, and you will enjoy this place!

-Edvan Benitez
Junior

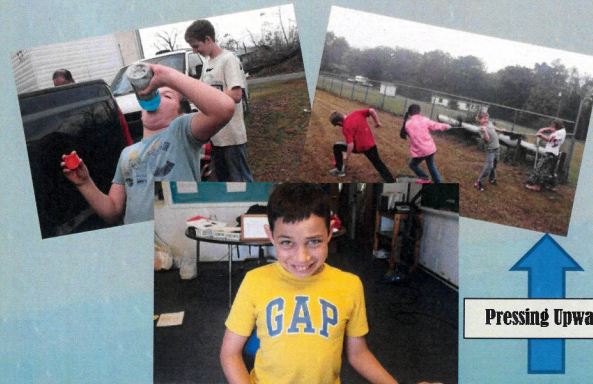

Laurelbrook has been a blessing for my life. It helped me to grow spiritually. It is a place where you can grow closer to God. This place taught me many values and I made many friends for life. This place is challenging, but you will have good rewards. Trust in God!

Nine students comprised the yearbook staff this year. Three adults helped with the project – **James Brenneman** as head advisor, **Nancy Brenneman** (ads and advisor), and **Jacqueline Miller** (ad sales person).

The yearbook was printed on the academy office's Minolta Print Center and bound with covers and binding machine from the ChannelBind Corporation. The cover decals were supplied by SheetLabels.com and printed on the Minolta Print Center. The students helped with the printing and binding.

Many thanks to other people who helped with the 2019 yearbook. Barbara Kitson, Laurelbrook's business manager, helped keep track of the finances. Juanita Smith, the person in charge of the academy classes, did proofreading.
