# President's Message

Mr. Warren McDaniels

**D**ear Laurelbrook Academy students and staff

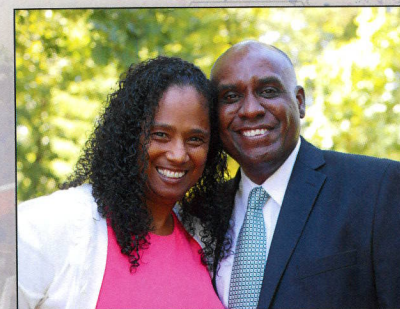

It is with great pride that I have this opportunity to address you in the 2020/2021 yearbook. Thanks to Mr. Cesar Soto and the media class for their time and hard work putting this yearbook together. They've done a fantastic job and on behalf of all staff and parents we want to say how proud we are of the finished article. We really hope you enjoy it for many years to come.

To our Laurelbrook students I say your growth and maturity over this year has been emotionally and professionally fulfilling to observe. You embraced what LBA had to offer, discovered your passions and positively impacted those around you. You need only to browse the pages of photos chronicled in this yearbook to recognize how blessed we are to have engaged with one another Spiritually, Academically and Vocationally.

This school ending has been quite different! We stood strong and brave in the midst of a pandemic. As our nursing home residents and staff fought unprecedented challenges, we prayerfully pulled together and became stronger as a result. Covid-19 forced us to make many changes this school year at Laurelbrook. Namely, mask wearing, Covid testing, and many event cancellations. Through it all you not only adapted but continued to make the best of an unnaturally restrictive environment.

My encouragement to you is embodied in this quote from EGW. "Devise wise plans. Put to use every jot of ability that God has given you. Do your duty to yourself, improving in understanding and adaptability, daily becoming better able to turn to the best account the mental and physical powers that God has given you. He wants you to be a success. He wants you to be a blessing in your home and in the neighborhood in which you live. FE 496

# REMEMBERING

James Brenneman moved his family of wife, 4-year-old son, and 7-year-old daughter to Laurelbrook Academy in the summer of 1983. During the course of his 37 years at Laurelbrook, he taught English 10 – 12, World history, American history, American government, and yearbook publishing. He was in charge of the campus grounds and trash collection for the institution for many of the years. He served God as well by enthusiastically leading out in song services, teaching Sabbath School classes for students and adults, being head deacon and leading in the audio-visual needs for the church, as well as the school. He also served the community and institution by being an active member on the Rhea County Laurelbrook Volunteer Fire Department for 21 years.

Here are some of the comments his former students put on Facebook.

*"HE WAS MY FAVORITE TEACHER AT LBA! THOROUGHLY ENJOYED HIS ENGLISH CLASSES AND BEING A YEARBOOK STAFF UNDER HIM. SUCH A POSITIVE CHEERFUL INFLUENCE."*

*"I HAD THE PRIVILEGE OF HAVING HIM AS A TEACHER FOR ENGLISH 101 HE TAUGHT CREDITED THROUGH SOUTHERN. A WONDERFUL TEACHER! I'LL ALWAYS REMEMBER HIM LEADING SONG SERVICE. HE WAS SO ENTHUSIASTIC & TRULY PRAISED THE LORD."*

*"I LOVED HIS HISTORY CLASS, IT MADE ME FALL COMPLETELY IN LOVE WITH HISTORY AND I TAUGHT HISTORY AT OKLAHOMA ACADEMY AS A DIRECT RESULT OF BEING INSPIRED BY HIS CLASSES."*

*"I REMEMBER HIM LEADING SONG SERVICE WITH MUCH JOY...A GOOD HISTORY TEACHER ALSO."*

*"I'VE HAD MANY TEACHERS AND HE WAS MY FAVORITE OF ALL TIME."*

*"HE WAS A GREAT TEACHER AND HIS SONG SERVICES WERE THE BEST! "*

## Itzel Geronimo

*"For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future."*

Jeremiah 29:11

If I have to describe my life here in Laurelbrook in one word, I would say that I have been LOVED, by the people that have supported me, and by God, that has been with me every moment of my life and He is still guiding me through His ways. I just want to thank everyone who has opened their doors and accepted me as part of their family. I can say that Laurelbrook has helped me in my christian growth and has taught me that I am here because God has a plan for me, and I have decided to follow Him no matter what people say or the circumstances. I trust He will guide me in this new step of my life and I'm excited for the future. Thanks Laurelbrook!!

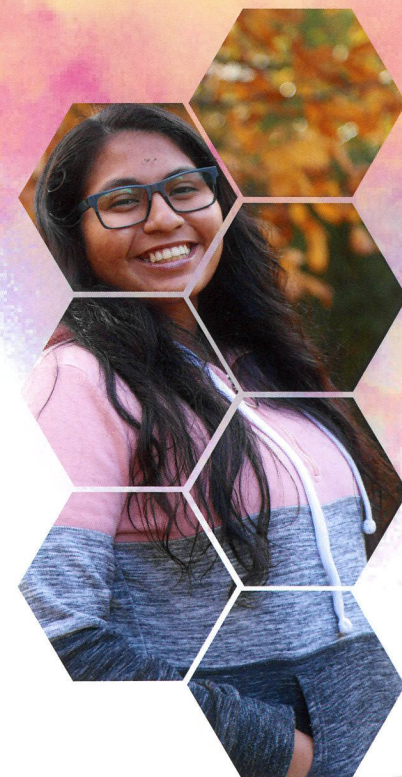

Future Major: Natural Science

Hobbies: Reading, Bible study

Favorite Bible Verse: Isaiah 41:10 - Fear thou not; for I am with thee; be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness.

## Eldric Hernandez

**M**y experience here has been a blessing. I have learned many useful things that will help me in the future. It has also been inspiring because God worked a lot of miracles for me. Also, I met amazing people and wonderful friends. We enjoyed our time playing basketball, soccer and volleyball. In summer the boys would always go swimming in the lake. For me it was fun to watch them swim.

My experience at work was very good. Sometimes we had to go work in different places (the NH) that were not our preference. At LBA you learn to work with people you like and don't like. At the beginning is tough but eventually you get used to it. But that's when you learn to treat different people and learn how to interact with them.

Also, my spiritual experience was incredible. I learned to trust in God (sometimes is hard) and hang from his promises. And the best thing that I learned at Laurelbrook is: "listen to what people think about your life but don't make your life their life. Make your own"

Future Major: Theology

Hobbies: Playing Basketball and soccer; Singing

Favorite Bible Verse: Isaiah 61:10 - I will greatly rejoice in the Lord, my soul shall be joyful in my God; for he hath clothed me with the garments of salvation, he hath covered me with the robe of righteousness, as a bridegroom decketh himself with ornaments, and as a bride adorneth herself with her jewels.

## Jafet Mendez Morales

**H**ello, my name is Jafet Mendez and I'm a senior 2021. Laurelbrook is a really good school in some aspects and it has helped me to become better in life. I have a lot of memories of friends, of classes, of recreation and so on. My two years here were not easy, but now I can see the fruit of my work with God helping me. Here I learned so much and I grew mentally, physically and spiritually. So now is your turn to take the challenge and go through it. And remember that God will be with you.

Future Major: Physical Therapist

Hobbies: Playing soccer

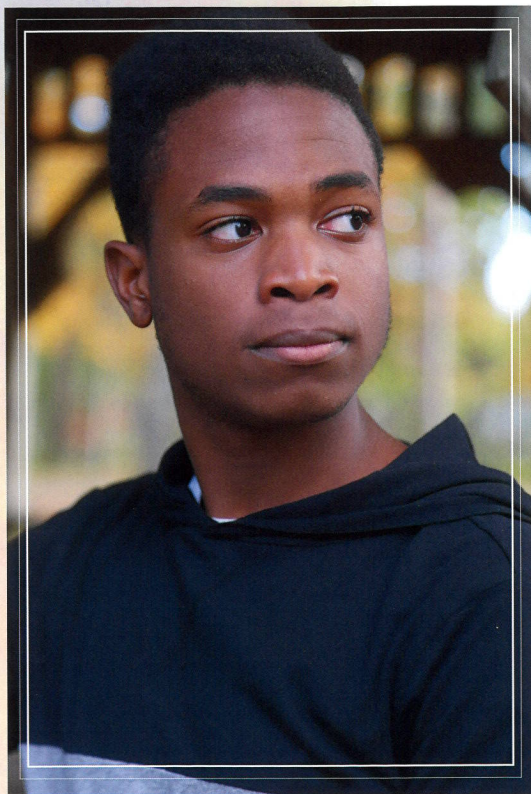

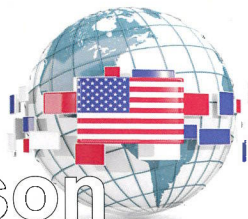

Favorite Bible Verse: 1 Timothy 4:12 - Let no man despise thy youth; but be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity.

## Larron Matheson

**M**y experience at Laurelbrook has been a blessing. There have been good days and bad days, but I have made friends and created memories that I will remember forever. I'm thankful to God that I have made it this far, and I am excited for the new chapter in my life that is about to begin.

These two years have gone by so quickly. I will miss the family-like environment here and the students and staff that have made this experience enjoyable. From my first mission trip in Honduras to the crazy sleepovers in the dorm, I will miss all the fun times that I have had here. I will also use the knowledge and skills that I have been taught to help me as I move on to a different stage of my life. I am so thankful for all of you who made time here fun and memorable.

# Class of 2021

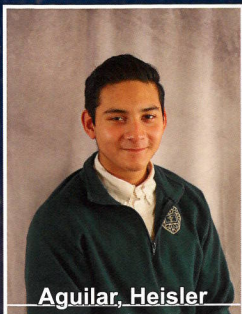

Where do we begin, let's start with 4 wonderful seniors that are very special and unique in their own way. The highlights of the year, going to Mr. Scott's house, Chemistry class with our crazy, fun, forgetful teacher, teasing our Bible teacher, chatting with our English teacher. Alumni camp out, class parties, Mrs. Maudie's food, Alumni weekend, going to Southern Adventist University, Mexican restaurant, shopping for graduation clothes, and the Senior trip, looking forward to Graduation. Favorite Bible verse Psalm 34.

It's been a pleasure being your class sponsors. We've enjoyed having you over and participating in multiple class activities (making homemade pizzas, arepas; climbing Lookout Mountain on the train, etc.) We want you to know that you are a wonderful bunch, and each one of you is special to us. We pray that whatever path you all decide to follow, whether it be LBA or wherever the Lord guides you, you will all remember that you each have a purpose and are loved.

Here are some scripture verses to keep in mind:

"Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not." Jeremiah 33:3

"I will instruct thee and teach thee in the way which thou shalt go: I will guide thee with mine eye." Psalm 32:8

"Delight thyself also in the Lord; and He shall give thee the desires of thine heart. Commit thy way unto the Lord; trust also in Him, and He shall bring it to pass." Psalm 37: 4-5

Dear freshman class,

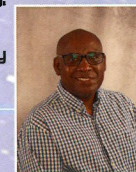

What an honor it's been to serve as your class sponsors. You are the largest class at Laurelbrook Academy this year as well as the most energetic, diverse, and engaging group. We have been so impressed by your potential, that we requested to remain your sponsors throughout your four years at LBA. We've truly enjoyed getting to know each of you, through class suppers at our house, game night, or trips to interesting and fun places. We look forward to helping you develop spiritually, academically, and socially as we create countless memories along the way.

It is our hope and prayer that we will evolve from being mere classmates and sponsors to a truly close knit, cohesive family.

## Training for Service

Laurelbrook will equip you and help you reach the front lines before you graduate. Be trained as a Bible worker or canvasser. Share your faith in community churches. Travel abroad to Mexico or Cuba in one of our affordable annual mission trips. Perform with the choir or bell choir in churches across the region. Join other students in preaching in an evangelistic series in our area. Laurelbrook will prepare you to share your faith and the message of the soon coming King.

Due to the Covid situation, instead of traveling outside of the country, we served the local communities more!

You have borne long and patiently with me as your dean this school year, only by the mighty sustaining power of God. In the dorm, there are things I see that others do not see so readily. And I can testify to how God has been striving to help you gain the victory. Though small it may seem to you or others, the fact is God has been doing something amazing in you, and the entirety of Heaven rejoices even over what may appear small. I want to encourage you: "He that has begun a good work in you, shall be faithful to complete it. Be strong and of a good courage, and he shall give you the desires of your heart. Seek first God's kingdom and everything good shall be added unto you." I look forward to seeing all of you in Heaven.

# Vocational

## Training for Real Life

At Laurelbrook Academy, we believe school should be about more than memorizing facts and reading textbooks. A true education prepares you for a life of usefulness and service. To give you this preparation, four hours of every school day are dedicated to both vocational training and life skills.

To ensure you get a chance to learn a variety of skills during your stay at Laurelbrook, students rotate through several areas of vocational training each year. By graduation, you will be able to say that you prepared entire meals, fixed cars in the body shop, and harvested plants in the greenhouses and garden. You may choose to become a CNA, a volunteer firefighter, or an auto mechanic. Vocational certificates are awarded for each vocational program you learn.

Three years at Laurelbrook will give you the opportunity to have gone through 83% of the vocational programs listed above plus all life skills. Four years will give you the chance to have gone through 100% of the vocational programs, plus the opportunity to be a supervisor in the area of your choice.

For a graduate, it is a blessing to know that you are prepared for what lies ahead and have the skills you need to help in your community.

# Media Production

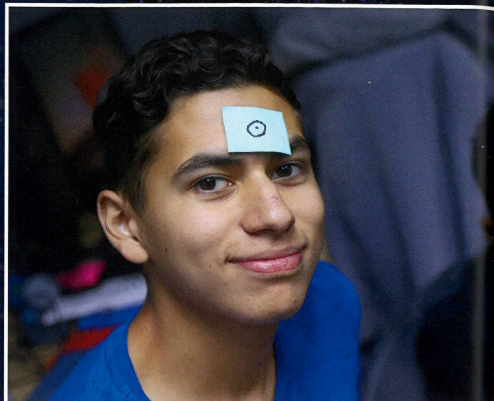

Hum, Sam, you have something on your head!

As we began this school year, it was interesting seeing the media students' (the crew) growth and interest in this field. Students have gotten a feel for pixel and vector based 2D editing, photography, layout and design, publications, video, and 3d modeling;

all this while getting up to date on industry graphic standards. It has been an intense year, but the students have been champions. They have accepted the challenge and done well. I am very proud of the work they have done. We have grown together and hope they do great work in the future, and help finish the work.

Victor is enjoying the Virtual Reality set.

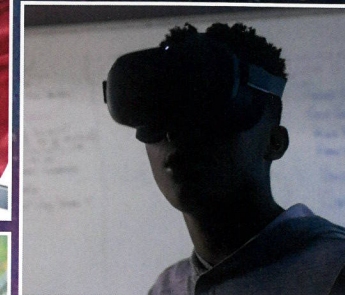

The crew, are deciding names for their pictures.

Technology in use, Benjamin, Larron and Sam.

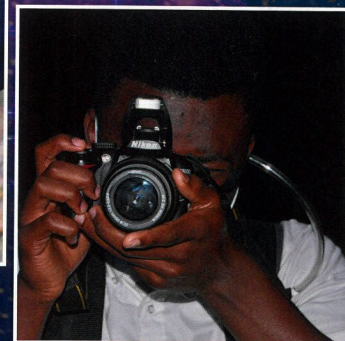

Larron can't get enough of the attention!

Benjamin is amazed by the VR world.

Mr. Cesar is testing his camera.

Say, cheeeeeeese!

Larron, one of the oldest members in our media crew, after Mr. Cesar, of course!

This picture was taken by a drone flown by Samuel.

# Small Gas Engine

Angel tests his skills with the chain saw.

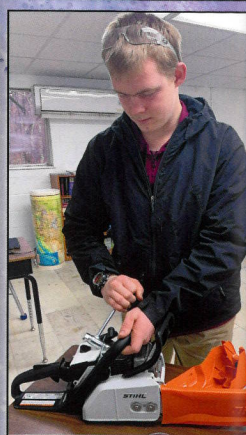

Juan Daniel checks the engine.

Series of engines for students

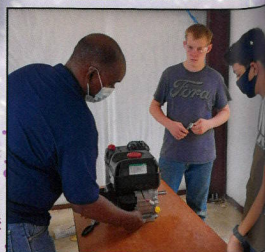

Rebeka and Kelly extract oil from engine.

Vincent and Fernando go over the engine.

Danielle and Kelly tag team to repair a small engine.

Fernando checks the chainsaw as part of the class

Vincent identifies parts of an engine.

Are you new to small engines and just don't know where to start? Then this is the class for you. We begin with an introduction to the Outdoor Power Equipment industry, which leads us to the necessity of today's small engine.

Four-cycle theory is the heart of what makes a small engine tick and is discussed in detail. This leads to the explanation of engine systems from A to Z including governors, carburetion, compression, ignition, and lubrication in detail and in a "hands-on" fashion wherever possible. We also cover proper fuel and oil requirements so that LBA students can properly maintain campus equipment.

Theory is strengthened through workshop labs. Two complete engine teardowns and reassemblies are performed. Small engine students learn the difference between "L-Head" and OHV style engines as well as vertical and horizontal configurations. A complete engine tear down and reassembly integrates the how-it-works with the why-it-works. Pay close attention, your engines must run upon reassembly!

Mr. Warren helps students with the engines.

Mr. Warren is doing a little demonstration.

# MUSIC

Music forms a part of God's worship in the courts above, and we should endeavor, in our songs of praise, to approach as nearly as possible to the harmony of the heavenly choirs. The proper training of the voice is an important feature in education and should not be neglected. Singing, as a part of religious service, is as much an act of worship as is prayer. The heart must feel the spirit of the song to give it right expression. --Patriarchs and Prophets, p. 591.

Installing the boy's dorm ceiling. Everyone helps, Isaac, Mr. Oriel, Mr. Alex, and Vincent.

# Yearbook Staff

# Signatures

We, the media class, were hard at work with this yearbook. Many hours of shooting pictures, reviewing, designing, and editing. The students have done a great job in this effort. I am very proud of them, as they have come a long way from our first interactions. Good job!

Also thanks to the LBA family for allowing the students to take pictures of you in all situations! 😊

We also thank those that have assisted us with the yearbook. Those that have taken from their busy schedule to look over the pages and suggest improvements: Ms. Lauren, Ms. Nancy, Mr. Sergio and Ms. Yorleny.
